

Bill Hoblitzell - Operations Manager

Mr. Hoblitzell has been involved with natural gas operations for 32 years. His career started in 1971 with Cincinnati Gas and Electric, staying with them for over 25 years and proving the value of his abilities. He has a diverse knowledge base regarding the natural gas industry. Bill has been involved with all aspects of distribution, construction, operation and maintenance, data tracking and regulation compliance. In 1998 he decided to take his knowledge and experience to Utility Technologies International Corporation.
