

Darrell Greenlee - Project Manager

Mr. Greenlee has been involved in the natural gas operations for over 49 years. His career includes 38 years with Columbia Gas of Ohio. After retiring from Columbia Gas, he began working at UTI. In the 13 years he's been with UTI, his duties have included assisting in the design of new projects and over-seeing existing work. All legal paperwork including right-of-way forms and easements are prepared by Mr. Greenlee.
