

R. Joseph (Joe) Kuhner – Senior Engineer

Joe Kuhner has been involved in the natural gas industry for over 42 years. He started his career at Columbia Gas of Ohio in 1967 as an Operations Engineer and held various engineering and management positions at Columbia until 2000, when he retired as Director of Operations for Columbia's Northern Region in Toledo, Ohio. Joe joined UTI in 2002 and has managed various projects, including assessing the condition of mains and developing a main replacement program for Eastern Shore Gas company. In addition to his work at UTI he also teaches various training courses at the Gas Technology Institute. Joe holds a Bachelor of Science degree in Industrial and Systems Engineering from Ohio University and served as a member and Chairman of the AGA Distribution Engineering committee.
